

Wild Flower Survey Heartwood Forest

by Linda B. McArdell

2012 May - July

Common Name	Latin Name	Not Native 'N'	Rare "R"	Car Park & drive	Low Field above CP	Scout Hut field
Birdsfoot Trefoil	<i>Lotus corniculatus</i>					common
Buttercup	<i>Ranunculus spp</i>				scarce	moderate
Cardus Thistle	<i>Carduus acanthoides /crispus</i>	N		scarce		
Chickweed	<i>Stellaria media</i>			scarce		
Common Hawkbit	<i>Leontodon taraxacoides</i>			scarce		
Common Melilot	<i>Melilotus officialis</i>					moderate
Common Mouseear	<i>Cerastium holosteoides</i>					
Common Sowthistle	<i>Sonchus oleraceus</i>			scarce		moderate
Common Vetch	<i>Vicia sativa</i>					moderate
Compositae	<i>Hieracium spp (perpropinquum?)</i>			scarce		
Corn Cockle	<i>Agrostemma githago</i>			scarce	scarce	
Corn Marigold	<i>Chrysanthemum segetum</i>			scarce	scarce	
Corn Poppy	<i>Papavia rhoeas</i>			moderate	scarce	
Cornflower	<i>Centaurea cyanus</i>			moderate	scarce	
Cow Parsley	<i>Anthriscus sylvestris</i>			scarce		
Cut Leaved Cranesbill	<i>Geranium Dissectum</i>					scarce
Dandelion	<i>Taraxacum laevigatum</i>			scarce	scarce	
Dock	<i>Rumex obtusifolius</i>			scarce	scarce	
Eyebright	<i>Euphrasia nemosa</i>			scarce		
Field Pansy	<i>Viola arvensis</i>			scarce		
Fumitory	<i>Fumaria officinalis</i>			scarce	scarce	
Goosegrass	<i>Galium aparine</i>			scarce		
Greater Stitchwort	<i>Stellata holostea</i>			scarce	scarce	
Ground Ivy	<i>Glechoma hederacae</i>			scarce		
Groundsell	<i>Senecio vulgaris</i>			scarce		
Hogweed	<i>Heracleum sphondylium</i>			scarce		
Hop Trefoil	<i>Trifolium campestre</i>			scarce		common
Knapweed / Hardheads	<i>Centaurea nigra obscura</i>				scarce	
Mallow	<i>Malva sylvestris</i>			scarce		
Many Seeded Goosefoot	<i>Chenopodium polyspermum</i>			scarce		
Oil seed rape	<i>Brassica napus</i>			scarce	scarce	
Ox-Eye Daisy	<i>Chrysanthemum leucanthemum</i>					common
Pineapple Weed	<i>Matricaria matricarioides</i>	N		moderate	scarce	
Plantain	<i>Plantago major</i>			scarce		
Ragged Robbin	<i>Lychnis flos-cuculi</i>					scarce
Ragwort	<i>Senecio jacobaea</i>			scarce		scarce
Red Clover	<i>Trifolium medium</i>				scarce	scarce
Salad Burnet	<i>Poterium sanguisorba</i>					common
Scabious	<i>Knautia arvensis</i>			scarce		
Scotch Thistle	<i>Onopordon acanthium</i>			scarce		
Shepherds Purse	<i>Capsella bursa-pastoris</i>			scarce		
Short Fruited Willowherb ?	<i>Epilobium spp</i>			moderate		
Small Flowered Cranesbill	<i>Geranium pusillum</i>			scarce	scarce	scarce
Speedwell	<i>Veronica officialis</i>			moderate		
Teasel	<i>Dipsacus fullonum</i>			scarce		
Wheat	<i>Triticum aestivum</i>			scarce		
White Champion	<i>Silene alba</i>			scarce		
White Clover	<i>Trifolium repens</i>				common	common
White Deadnettle	<i>Lamium album</i>			scarce		
Wild Chamomile/Scented Mayweed	<i>Matricaria recutita</i>			moderate		
Yarrow	<i>Achillea millefolium</i>					common
Yellow Archangel	<i>Lamiastrum galeobdolon</i>					moderate

Notes

1. Survey was by general observation, not by any scientific method of quantification.
2. Two surveys were done on 17th May and 29th June
3. Reference books:
 - The Concise British Flora in Colour by W. Keble Martin
 - David McClintock and R.S.R Fitter
